

FTTH-DB

Fiber Optic Distribution Box

GSR-DB-05A

GSR-DB-05B

GSR-DB-05A-24A

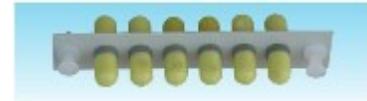

GSR-DB-05C

GSR-DB-05D

Adaptor Panels

Description

- Ideal for small capacity communication systems, suitable for wall mount.
- The cabinet is composed of two parts, one links with optical cables for fusion connection between optical cable and fiber pigtail and another links with patch cord.
- Provides storage for fusion splices and optical cables
- Designed to ensure that fiber bend radius is not exceeded

Order Guide

Type	Dimension(mm)	Max capacity ports	Remark
GSR-DB(05)A-24	455*405*80	24	Cold rolled steel sheet, electrostatically sprayed. Provide 24-72 adaptors, available for FC, ST, SC, LC. Fit for wall mounting
GSR-DB(05)A-48	455*405*120	48	
GSR-DB(05)A-72	455*405*150	72	
GSR-DB(05)B-48	455*405*120	48	Cold rolled steel sheet, electrostatically sprayed. Provide 48-72 adaptors, available for FC, ST, SC, LC. Fit for wall mounting
GSR-DB(05)B-72	455*405*150	72	
GSR-DB(05)A-24A	350*350*80	24	Cold rolled steel sheet, electrostatically sprayed. Provide 48-72 adaptors, available for FC, ST, SC, LC. Fit for wall mounting
GSR-DB(05)C-FC12	350*300*80	12	
GSR-DB(05)C-SC12			
GSR-DB(05)D-FC24		24
